

we always convince ourselves that life will be better after we get married, have a baby, **than another**. □□□□
 □□"than another" □□□□□□□□□□□□□□□□ "then another milestone"□

then we are frustrated that the kids aren't old enough and we'll be more contet when they are. □□□□□□□□

"content"□□□□□□□□□□"only to become" → "...we'll be more content when they are, only to become frustrated again."□

after that we're frustrated that we have teenagers to deal with. "after that" "Later" "Eventually"

we always tell ourselves that our life will be complete when our spouse gets his or her act together. □□□□□□
 □□□□ "resolves their struggles" □ "achieves balance"□

when we get a nice car, and are able to go on a nice vocation when we retire. □□□□□□□□ "vacation"□□□□□□□□
□□□□ "when" → "...after retiring."□

the truth is, there's no better time than right now. if not now, when? "If not now, when?"
the truth is

our life will always be filled with challenges. it's best to admit this to ourselves and decide to be happy anyway.one of my favorite quotes comes from alfred souza. "anyway" "Alfred Souza"

he said."for a long time it had seemed to me that life was about to begin—real life. □□□□□□□□ "He said, 'For a long time... begin—real life.'"□□□□□□□□□□□□

but there was always some obstacle in the way, something to be gotten through first, some unfinished business, time still to be served, a debt to be paid. □□□□□□□□ "something" □ "first"□□□□□□□□□□"something to overcome first"□

then life would begin. at last it dawned on me that these obstacles were my life. 〰〰〰〰〰〰〰〰 "At last" 〰〰〰〰〰〰〰〰

so treasure every moment that you haveand remember that time waits for no one. □□□□□□□□ "have. And remember..."□

so stop waiting until you finish school, until you go back to school; until you get married, until you get divorced; until you have kids; until you retire; until you get a new car or home; until spring; until you are born again to decide that there is no better time than right now to be happy....

□□□□□□ "born again" □□□□□□

□□□□□□ "reborn" □ "start anew"□

happiness is a journey, not a destination.so, work like you don't need money, love like you've never been hurt, and dance like no one's watching "destination. So"

□□□□□□□□ We always convince ourselves that life will be better after we get married, have a baby, then another milestone. Yet we grow frustrated waiting for children to mature, only to face new challenges with teenagers. The truth is, there's no better time than now. As Alfred Souza said, "These obstacles were my life." Happiness is not a destination—it's the path we walk today. □□□□□□□□□□□□□□□□□□□□□□
